Mamma's!!

Capri Smith, owner of Mamma's had a dream and made it come true! Mamma's started out as a food cart, set up in the grocery store parking lot. Her wings and fries were becoming so popular, she thought, possibly a permanent spot would be the next step for her business.

TCDA had the perfect solution for Capri on Martin Street! The building needed some extra TLC but she was willing to take on the hard work!

"First, I'd like to thank God for all my blessings. Secondly, I would like to express my gratitude to TCDA for providing us with such an amazing opportunity. The positive experience with TCDA in their knowledge and professionalism has made this transition to a permanent building effortless. My mom always tells me Bloom where you are planted. For me, that's Titusville! This is my home I am excited for the future to be heard through my food and become a staple in this community. Mamma's taste so good!"

Mamma's is open from 3 PM - 8 PM, Wednesday - Saturday 101 S. Martin Street in Titusville

Grant Update

The Greater Titusville Development Foundation was awarded \$25,000 from the Keystone Communities Program for the Downtown Titusville Façade Improvement Program

2017 Grant Recipient

2016 Grant Recipient

2020 Grant Recipient

The Façade grant is focused on improving existing façades in the downtown business district. The grant program was once funded by all private donations, however these private funds have been decreasing in the past few years. We needed to look at other funding sources. We are so thankful that we were awarded this money and now have \$50,000 going into our 9th round in early 2023!

Visit TitusvilleFoundation.org for more information on the Façade grant and applications.
